- Failure to attend a lesson will result in that lesson being forfeited.
- Learners are not to enter poolside more than 5 minutes prior to their lesson.
- Parents & spectators must observe from the viewing gallery only.
- After a lesson children may be collected from poolside.
- No footwear is allowed on poolside at anytime.

Parents please note: The teachers will spend the first few minutes of the opening day to determine the child's ability and place them in the appropriate group. The children will be grouped according to the general ability of the existing group per course (this may mean they may not be in the same group in subsequent courses) The assessing teacher's decision will be final, however if a child improves to such an extent during a course the Teacher may decide to move them to another group. All MSSC Swimming Instructors are trained, qualified and highly experienced and will make all decisions regarding swimmers with their students' best interests as a priority.

### Instructor cover

We know that no one likes it when the regular instructor is away & we try to avoid cover situations wherever possible however, very occasionally instructors fall ill or need to take time off & so cannot teach. When this occurs all effort will be made to cover the lesson/s with another instructor.

### Refunds

Should the Sports Club be unable to fulfil its obligations a full refund will be given to all affected patrons.

Refunds for any other reason are at the discretion of the Monmouth School Sports Club management and are subject to a 15% administration charge. All requests for refunds must be made in writing to the Sports Club Manager.
